

New construction project that offers a contemporary house with sea views in Cala Falcó

Price

2.790.000 €

Location

Sol de Mallorca-Cala Vinyes / Mallorca Suroeste / Cala Vinyes

Description

On a plot of 1,500m² located in the idyllic natural setting of Cala Falcó, in the southwest of the Mallorcan coast with the beach just 200 meters away, which allows us to enjoy a swim in a unique place in the bay of Palma, it has Projected the construction of a single-family villa that occupies 300 m² under an architecture of perfect geometry creating volumes that are drawn on the blue of the sky and the sea.

Developed on two levels, with 5 rooms all with bathroom and fully equipped kitchen, the materials used combine modernity and Mediterranean tradition and the qualities used are first, with porcelain and radiant floors in open and spacious interiors that are filled with natural light. The garden exteriors, roofed terraces and the sun with swimming pool and large solarium on the deck from where the gaze is lost in the sea are spaces that guarantee great outdoor comfort.

The project is licensed and can be modified according to customer preferences. In Balearhouse we will be happy to inform you of all the details of this new project of new construction.
