Alaro-Inca-Sineu / Center of the Island / Alaró

Description

The architecture of this exclusive finca combines all the tradition of the island's past with the most modern design and modern advances, creating within a plot of 30.000 m² a beautiful private setting in an idyllic natural environment where you can enjoy fields of almond, fig and fruit trees in the most absolute privacy.

The beautiful estate is located on the outskirts of the village of Alaró, situated at the foot of the Tramuntana mountain range, in the north-central region of Mallorca, a peaceful area with its emblematic castle that offers impressive views of the mountains, as well as being an exceptional spot for cyclists and hikers due to its easy access to some of the best routes on the island.

With 570 m² of constructed area developed on two levels, this wonderful newly built finca achieves a luxurious updated rustic style, reflected in traditional finishes and materials of the highest quality such as stone and solid wood with interiors that speak of the design of modern living through large spaces with white as a common thread and extraordinary lighting thanks to the generous windows and skylights that allow the view to be lost in the extensive nature that surrounds it. The most advanced technology is present throughout the house, with floors that are kept warm thanks to underfloor heating and KNX home automation system, increasing the quality of life, wellbeing and peace of mind of those who live there.

The main house has 4 bedrooms and 5 bathrooms. A large living-dining room on the lower level with fireplace and high ceilings is connected to the large designer kitchen area equipped and organized around a large central island with another separate dining area, a continuous space towards the exterior of private gardens, porches and terraces with a large 60 m² swimming pool with sunbeds and ample parking space. An area dedicated to total relaxation also forms part of this fabulous estate, with jacuzzi, spa and gymnasium, as well as an excellent wine cellar area.

The modern finca also has a large annexe for agricultural use as well as a water reservoir about 100m. from the main house.
