

Excellent Moderna design with amazing sea views in this great new villa in Santa Ponsa

Price

7.450.000 €

Location

Santa Ponsa-Port Adriano / Mallorca Southwest /
Santa Ponsa

Description

This impressive villa has been completely renovated under an avant-garde architecture where its shape, organization and use of the highest qualities in materials and technology, are aimed at those who are looking for exclusivity and quality in an environment of great beauty, with stunning views of the sea that bathes the entire coast of Santa Ponsa, in the southwest of the island.

The property has 559 m² of surface on a plot of 1,045 m² and is developed on three levels connected by elevator. It has four spacious bedrooms with en suite bathrooms full of design, views and light. The living room with dining area and integrated kitchen is a large space open to the large terrace and the stunning sea views.

To highlight the high equipment with which this villa has been equipped, which does not lack detail, with two swimming pools, one outdoor with jacuzzi and one indoor heated next to sauna, Turkish bath and gym. It has two garages, one at street level and the other on the upper garden level with a turntable and space for several cars. Natural stone floors that are kept warm thanks to the underfloor heating. Kitchen with Miele appliances and its own cellar space that will make you taste the wine in the perfect conditions under the fabulous climate of Mallorca while contemplating the sea.
