Description

The environment surrounding this charming villa in Puerto de Andratx has a unique diversity of landscapes in the southwest corner of the Sierra de Tramuntana, with beautiful mountains, valleys and rugged coastlines with small coves that form a quiet, traditional and cosmopolitan atmosphere, all just 20 minutes from Palma.

In this privileged enclave, a mixture of tradition and avant-garde and next to the prestigious Sailing Club of the port, where the main sports, nautical and social activities take place, is located this fantastic villa of Mediterranean and contemporary design, which also has a holiday licence, adding an extra value to the property.

Occupying a plot of 667 m² this splendid villa is an invitation to enjoy the free time, the sunlight and its exterior spaces of garden, terraces and large swimming pool. The house stands on a plot of 265 m² with interiors connected to each other and to the exterior. It is developed on two floors with all the comforts required for modern day living. On the entrance level is the spacious living room with fireplace, dining room and modern kitchen with large central island, all open to the large terrace that surrounds the house. On this floor there are also four of the villa's five bedrooms, two of them with en-suite bathrooms and the other two sharing a full bathroom. From the privacy of the bedrooms there is direct access to the swimming pool, garden and outdoor living areas.

On the upper level is the large master bedroom, with en suite bathroom, large wardrobe area and private terrace from which to view the sea and the harbour. On this floor there is also a living room. The villa is crowned by a solarium area on the roof, with lounge and outdoor kitchen, a private place with excellent sea views where you can enjoy pleasant moments of relaxation or evenings in the best company.

For greater comfort, the property offers us ample private parking area.
