Description

Located in the exclusive and secure community of Roca Llisa, we find this beautiful and cozy 3-bedroom, two bathrooms house, with the most stunning views to the sea and with direct sea access.

The property has been totally refurbished and exquisitely decorated by the current owner.

The indoor living space has an open plan design, where we find a fully fitted kitchen, an indoor dining room and a great living room where you can sit, relax, and enjoy the views of the sea and gorgeous gardens

From two of the bedrooms, you can enjoy the sea view, and one of them has even direct access to the plunge pool located in the terrace. The third bedroom has a cozy and private covered terrace.

From the property limit there is a door that leads to the sea in just a minute walk by the beautiful gardens. It's one of these unique and incredibly special features that very few houses in Ibiza have.
